3. MAKE NEXT YEAR'S REFUND BIGGER

“I’ll be getting another \$1,000 in my refund next year just for paying for college!”

“My refund will go up \$500 next year because I’m putting \$1,000 into my 401(k) this year.”

“I made \$2,500 last year working part-time. With my two kids, I got \$1,000 in Earned Income Credit. If I can earn \$5,000 this year, I’ll get more than \$2,000 in refunds!”
